EDUCATION

- **Bachelor of Technology (B.TECH) in Computer Science and Engineering**
Dev Bhoomi Uttarakhand University
(2022 - 2026)
- **Senior Secondary School**
Government Inter College, Mehuwala
86.2 % 2022
- **High School**
Government Inter College, Mehuwala
93.8 % 2020

HOBBIES

- Travelling
- Cooking

PROJECTS

LAND STRIDER

JAN 2025 - Ongoing

- Built a role-based MERN stack platform enabling buyers and sellers to manage and transact land deals online.
- Integrated real-time chat (OLX-style) and secure facial login authentication using face-api.js.
- Designed responsive dashboards and scalable backend APIs for user management, land data handling, and real-time interactions.

BAZAAR

Aug 2024 - Dec 2024

- Developed a full-featured MERN stack e-commerce platform with user authentication, product browsing, cart system, and order tracking.
- Integrated Stripe for secure payments and built an admin dashboard to manage products, users, orders, and delivery status.
- Designed a responsive frontend with search and filtering, supported by scalable RESTful APIs for product, user, order, and payment management.

WAREHOUSE COMMODITY MANAGEMENT SYSTEM

June 2025 - Ongoing

- Developed a MERN stack platform with role-based access for Farmers, Warehouses, and Admins to manage commodity storage.
- Implemented file uploads, admin approval workflows, and digital receipt generation for deposits.
- Built responsive dashboards and scalable RESTful APIs for secure authentication and storage management.

CERTIFICATES

- Namaste Javascript by Namaste Dev
- Node Js Essential Training by LinkedIn
- Hacker Rank of Java

ACHIEVEMENTS

- Led a team project that built a land management platform (Land Strider) showcased in college review.
- Secured 9.11 CGPA till 6th semester in Computer Science Engineering.
